

URGENT SAFETY NOTICE

The grill on the gas range cooker models listed below is unsafe and poses a serious risk to health, or even death, due to carbon monoxide poisoning.

It is vitally important that you contact us immediately to book a free of charge modification to the grill on your gas range cooker.

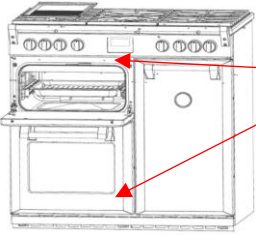

In the meantime, please ensure that you only use the gas grill with the door open.

If you no longer own the gas range cooker, it is still important that you contact us so that we can trace the new owner.

To arrange your free of charge modification, please use one of the following options:

- **UK Freephone** 0800 110 5728 (ROI +353 1691 7111) - Mon to Fri 09:00–20:00, Sat 08:30-14:00, outside of these hours you can leave a voicemail for a next working day call-back.
- Complete the **web booking** form on one of our websites www.stoves.co.uk or www.belling.co.uk
- **Email** consumersupport@glendimplex.com

Please provide full contact details with the model and serial number of the range cooker.

Appliance Use:

All gas appliances must be installed and operated in accordance with the manufacturer's instructions supplied with the cooker. Correct use and adequate ventilation is essential to ensure safe use of these cookers. Using an appliance for any purpose, other than that for which it is designed, can cause serious safety issues. The grill cavity in these appliances is designed for open door grilling and the grill must not be used as an oven, a space heater, or any other purpose.
